## PERFORMANCE

With a brand new resin formulation, the Reax Version 2 clears the fronts with ease and corners like there is no tomorrow. A motion not normally seen in an aggressive asymmetrical ball. However, we do caution that the Reax Version 2 has more overall hook than its original version. We moved that hook to the back end of the lane. The result is a strong hooking ball that retains energy through the pins!

## CORE

HEAD-BANGING BURNS  
150 CALORIES PER HOUR.

WOW. THAT'S RADICAL.
