

INCOGNITO™

WEIGHTS 16-14 Pounds

\$000.00 DRILLED

\$000.00 UNDRILLED

The Incognito features a totally new core design, targeting a strong overall hooking motion, but keying in on downlane performance. The S.H.A.R.P. (Strong Hooking Angular Reactive Performance) coverstock creates a more aggressive footprint and yields a quicker and sharper motion from the breakpoint.
