

# MAXIMUM RESULTS™

WEIGHTS 16-14 Pounds

\$ 000.00 DRILLED

\$ 000.00 UNDRILLED

The Maximum Results features a modified, stronger version of the original Results core; we have increased the total diff as well as the intermediate diff and lowered the RG. The result is a stronger mid-lane big hooking motion. The modified core is wrapped with the superior performance TS-1 cover stock.
