

ZING! HYBRID™

WEIGHTS 14-16 Pounds

\$ **000.00** DRILLED

\$ **000.00** UNDRILLED

The Forged 2 Hybrid is a new cover formulation combining the Forged 2 solid with the Forged 2 pearl. Zing! Hybrid has a bit more length and even more backend recovery, combining this strong match up with the hard hitting Dynamicore and you have a great addition to the original Zing!
